Thank you once again to everyone who turned up to ride, conditions this year were far better than the year before, just a little damp in the middle, with the promised rain not present and the wind of the day before not so pronounced. Unfortunately we had to switch timekeepers at the last second having had the sad news John Fisher lost his sight last week. So many thanks to Glenda as she did not want to disappoint, for turning up under the circumstances and also finding another timekeeper in the form of Robin Field. Thank you both!

Thanks also to my team of marshals out on the route including friends from The Royal Dean Forest CC at Raglan. Catering was looked after by my mummy, Mary Amanda, Sammy & Audrey. Special thanks this year to Will for our results service as he saves me so much hassle and last but not least her indoors for keeping me sane-ish.

Thanks Also to Tim at Echelon Cycles of Pershore for the very generous prize fund. For those that know me, you all asked why I suddenly started going a lot faster last year, ask Tim!

Hopefully see you all next year

Paul Stephens
